

# Wallboard Joint Tapes Submittal Sheet

## Hamilton Wallboard Joint Tapes

are designed for use with joint compounds to reinforce wallboard joints and corners prior to final finishing.

### Premium Wallboard Tape

is designed to meet ASTM Standard (C-475 ). Made from heavier paper than standard wallboard tapes to decrease stretching, wrinkling and cracking problems. Perforated to reduce blistering. Center creased to ease application and buffed for superior adhesion.

250 FT Tape- 20 rolls per case  
500 FT Tape - 10 rolls per case

### Standard Wallboard Tape

features perforations to reduce blistering, center creasing for easier application and is buffed to promote increased adhesion.

250 FT Tape- 20 rolls per case  
500 FT Tape - 10 rolls per case
